

Farm Retail Manager

About the Role:

Weatherlow Farms seeks a reliable individual looking for an engaging farm experience in beautiful southcoast Massachusetts. This position will manage the overall operation of our farm store. The position requires hard work, enthusiasm, and discretionary decision making.

Roles & Responsibilities:

- Open, manage, and close the store during its retail hours
- Direct merchandising and sales efforts
- Source outside products
- Assist in branding and store design
- Serve customers professionally, relaying special orders and recommendations to General Manager
- Maintain store stock levels
- Keep the store and deck areas clean

Qualifications:

- Previous retail experience;
- Ability to represent the farm in a professional manner and proactively engage with customers
- Enthusiasm for working on a farm and promoting local products
- Love of good food and beautiful flowers
- Self-starter with a serious work ethic, able to work independently

Compensation:

Starting @ \$15/hr.

Hours:

- High Season – 35 hours/week
- Low Season – 25 hours/week
- Potential for additional hours in both seasons

About Weatherlow Farms:

Weatherlow Farms raises the highest quality grass-fed beef, lamb, chevon, pastured pork, poultry, and eggs in the seaside town of Westport, MA. We grow a curated selection of flowers and foliage for weddings and special events. All is cared for employing environmentally sustainable and socially responsible practices which focus on the special relationship between land, animal and food. We host farm events throughout the year, including farm-to-table dinners, workshops, weddings, as well as private dinners and cocktail parties.
